Al HaNisim: And [we thank you] for the miracles, for the redemption, for the mighty deeds, for the saving acts and for the wonders which You have wrought for our ancestors in those days and in our days.

In the days of the ingathering of the exiles and the beginning of the rebirth of the nation, when the Arab nations attacked the Jewish people, to kill and dispossess them from Your land, including those remnants of the Holocaust and war, “the brands plucked from the fire” (Zecharia 3:2), You in your great mercy strengthened their hand and inspired their courage, You went against them and fought their battles, causing their enemies to flee before them and you redeemed them from the hand of those who were stronger than them. At that point, your children gathered and established the State of Israel in Your land, built houses, planted fields and helped Torah grow, living securely as stated in your words. And they established Yom HaAtzmaut, Independence Day, to offer thanksgiving and praise on the redemption and rebirth.
